EXPERIENCE

NOVEMBER 2017 – PRESENT

TECHNICAL COFOUNDER, INTERNATIONAL ALUMNI JOB NETWORK (IA-JN)

Full stack design and back end development of ia-jn.com. Working in a startup accelerator for the past year has taught me Business, Networking and Client management skills. I was responsible for promoting the IA-JN and dealing with a range of different clients requirements.

I worked with deployments as well as the technical creation of a content management system and a SEO focused design.

MAY 2017 – PRESENT

HEAD TEACHER, CODE CAMP

Teaching classes of kids as young as 6 the basics of how to code as well as being a role model. The role involved explaining difficult to comprehend ideas in a simple way that doesn't make them feel dumb.

EDUCATION

JULY 2018

BACHELOR OF INFORMATION TECHNOLOGY (COMPUTER SCIENCE) WITH A NETWORK AND SECURITY MINOR, QUT

I finished my degree with a GPA of 5.708 while being involved with many societies.

2014
